

DR. MARCO BIRICOTTI

MEDICAL DOCTOR-AESTHETIC MEDICINE AND SURGERY

PROFILE

Medical Doctor specialized in General Surgery and Aesthetic Surgery & Medicine. For over 15 years, I have guided my patients through personalized health, wellness, and aesthetic improvement programs, combining scientific rigor, continuous professional development, and a deep focus on the individual. I believe in aesthetics that enhance rather than transform, prioritizing harmony and overall well-being.

PROFESSIONAL EXPERIENCE

2006 - Present

Hospital Consultant & Private Specialist

Private Practice & Hospitals - Italy. Performed over 1,500 major general surgery procedures and over 500 aesthetic surgery procedures (including blepharoplasty, mastoplasty, facelifts, liposuction, and abdominoplasty). Delivered more than 10,000 advanced aesthetic medicine treatments (facial & body fillers, botulinum toxin, lifting threads, biostimulation, and laser therapy). Collaborating with medical facilities in Tuscany (Pisa, Viareggio, Pietrasanta, Lucca, Cecina, Livorno) and Reggio Calabria.
