

# DR. MARIAGRAZIA CROCCIA

AESTHETIC AND WELLNESS MEDICINE SPECIALIST | FORMER CARDIAC SURGEON

## PRESENTATION

Cardiac surgeon since 2008, convinced that well-being also comes from an appearance that reflects our personal ideal, she gradually approached Aesthetic and Wellness Medicine over the years. Over the last few years, she expanded her practice with autologous regenerative therapy (ART) using PRP and mesenchymal stem cells for both therapeutic and aesthetic purposes (alopecia, scars), alongside thread mini-lifting, non-surgical blepharoplasty, exosome therapies, and conservative vein treatments. Creator of the exclusive protocols: "Diamond Lips" (lips), "EVA Protocol" (face), and "DICA Protocol" (body).
